for ARCHIE'S BIG BOOK OF FRIENDSHIP ADVENTURES

This brand new book of 16 stories helps young children from K-7 learn how to handle a variety of friendship difficulties while building social and emotional skills along the way. The big bright glossy pages leave children mesmerised as they relate their own friendship experiences to Archie's. Story topics include; handling disappointment and anger, winning and losing gracefully, honesty, wellbeing, empathy, joining in, sharing and taking turns, coping with worries, and much more.

Parents, teachers and allied health professionals can use the book on its own or as part of the 'what's the buzz for early learners' program. Archie's big book provides an excellent foundation for discussion and problem solving towards better social and emotional skills in young children.
