## Why use Solutions for Kids?

Social emotional literacy provides the platform for academic and lifelong achievement. Madhavi teaches these skills to young people in her private practice. Through her training seminars, she guides parents and professionals to develop simple and practical ways to support young people to be more resilient and socially-emotionally skilled.

Madhavi is a keynote and guest speaker on the topics of social emotional literacy, positive discipline, anxiety and anger, resilience and wellbeing. She presents to a wide audience including teachers, educators, allied health professionals and parents.
